

# Centralized Verification Services Facts Sheet

## Who We Work With:

- Physicians, MDs & DOs
- Critical Access Hospitals
- Ambulatory Surgery Centers
- Group Practices
- Hospitals
- Rural Health Clinics
- Dentists, DDS & DMD
- Retirement Communities

## Benefits of Centralization:

- Practices will receive less paperwork to complete on providers.
- Reduced processing time for primary source verification.
- An experienced team of credentialing specialists to assist your medical staff office.

## What Verification Services We Provide:

- 5-year depth of primary source verification at Initial Appointment.
- Centralized Reappointment based upon provider birth month and year every 24 months.
- Continuous review of licensure, DEA, board certification and liability insurance updates and sanction monitoring.
- All files meet the accreditation and licensing of The Joint Commission, DNV, HFAP, CMS, AAAHC and AAAASF.

## Fee Structure:

- Services are provided as a subscription. There is a 12-month minimum.
- Fees are per service with an annual participation fee.
- One-time contract initiation fee to build providers in our database.
